A unique one week course combining lectures by experienced microfinance specialists and internship experience at a distinctive microfinance institution that gives participants face-to-face interaction with clients in the community of Bangladesh.

Where You Intern

TMSS Thengamara Mohila Sabuj Sangha

Alliance Forum Foundation's partner NGO from Bangladesh. TMSS, founded in 1980 in Bogra, Northern Bangladesh, is a women-oriented leading Bangladeshi organization working for alleviation of poverty, empowerment of women. We'll learn how these women manage their money and cope daily challenges by participating in TMSS' Microfinance program.

HEM Health, Education Microfinance

Unique program of TMSS that provides Microfinance clients education and health care services when they gather for repayment meetings. The service which clients and their family can receive also includes nutrition education and cooking demonstration to prevent infant malnutrition. This combination benefits mutually by holistically improving the living standard and increasing the Micro-credit repayment incentives.
